What is Pupil Premium ?

The Pupil Premium was introduced in April 2011. The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

The Pupil Premium is allocated to children from low-income families who are currently known to be eligible for FSM in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months. Each January the Government undertake a census of schools to determine the number of pupils who are eligible for Pupil Premium.

Based on this information schools receive the grant in April for the next financial year.

Schools are free to spend the Pupil Premium as they see fit. From September 2012, schools are required to publish online information about how they have used the Premium. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the Premium.

Financial Year April 1st 2013 - March 31st 2014

How have we utilised this grant ?

Analysis of our school data indicates that most pupils who were given additional support made expected progress or better. The benefits gained by using additional staff to boost literacy results and the additional support given by the Senior Leadership team to identify pupils in Year 6 for writing, reading and numeracy was evident in the improved L5 results at the end of KS2.

In addition we used our data to identify the barriers for learning for pupils where progress was not as expected. Barriers which were identified were

issues such as the social and emotional welfare of pupils. When putting together the plan for 2013 - 2014 we added additional support for pupils social and emotional welfare through targeted support groups and in addition increased the amount of Family Support work being undertaken.

Pupil Premium funding was utilised in some of the following ways:

- Additional emotional support was offered to vulnerable pupils and there was increased pastoral support and one to one support.
- Further investment in reading resources were made
- Continuation of one to one tuition for those pupils who require this.
- Support offered to families with wider problems which were making a significant impact on a pupils learning such as attendance, housing issues, domestic violence etc.

Financial Year April 1st 2014 - March 31st 2015

In April 2014 we received a grant of £172,900 to support pupils who were eligible for FSM. We intend to spend this in the following ways:

Action plan for Pupil premium April 2014 - March 2015

Objective	Action	Evidence	Lead person	Resources/ costs/time	Monitoring	Evaluation
To ensure Pupil Premium is used to support the raising of standards with all pupils making at least expected progress and 60% of pupils making good* progress	To identify all pupils who are eligible for FSM	Lists available and pupils who are eligible for FSM are known	HT/AHT	No cost Pupils identified from school management system as pupil premium 6 Tracking of progress	Curriculum committee	LAB through HT reports
	To set targets and track pupils who are eligible for FSM	Assessment trackers identify targets and progress	HT/AHT	Summer term Autumn term - through Performance Management process	SLT through discussion	HT with School Improvement partner
	To continue to resource reading	New reading materials within school being used to support reading development	HT/SG/AL	£8,250	SLT through discussion	HT with School Improvement partner
	To ensure that pupils who are not making expected progress receive additional support	1 to 1 tuition and other intervention work	AHT/HT	Spring/Summer £14,800	SLT through discussion	HT with School Improvement partner

	To release two of our teaching assistants to undertake "impact" work, through agreed interventions	Intervention folders demonstrate impact of interventions/ action planning with class teachers and data	SenCo/AF/TL	£47,000	Curriculum committee	Full LAB through HT reports
