

Leading Parent Partnership Award – LPPA

So what is the award?

The LPPA is a nationally recognised award achievable by schools who work very closely with the families of their pupils. The assessment is made by an external advisor.

What difference does the award make to the work done with families at Reaside Academy?

It makes our work with families even better. It will improve our communication and build more activities for families in school. As you know we are always trying to improve and completing this award will help us do that!

How can families help with the award?

- Read all information that we send out
- Come along to events we organise if you are able
- Complete any questionnaires we send out as honestly as you can
- Contact us with any suggestions or ideas which will help our communication with parents even better!

We are just starting out in the process of obtaining the award and typically it takes 12 months to meet all the objectives listed below. We are aiming to achieve the award by autumn 2018 and will hold this award for 3 years.
