

Reaside Academy Sports Premium Funding 2018-2019

Reaside Academy has been allocated £17,910 from the government for the 2018/19 academic year to improve the quality and breadth of sport provision within our school.

At Reaside Academy we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport.

Please find detailed below how we have decided to spend this money to ensure that this funding has the greatest impact on improving the breadth and quality of P.E. offered by our school.
